

## **AFTER CARE STRATEGIES**

### **St. Mary Elementary and Jr. High On-Site/Hybrid Plan**

**Aftercare program will be changed for the safety of the students and staff members.**

- Masks will continue to be worn while in the building
- Social distancing will take place
- Fewer toys will be available. Only items that can be sanitized, and individual play toys that will not be shared until sanitized and used again the following day
- Temperature check before after care begins. If a student has a temp higher than 100.4, students will not stay in aftercare but will wait in the quarantine room for their parent/guardian to arrive.
- When Aftercare begins, students will wash hands/use hand sanitizer
- Individually packaged snacks provided by the school.

#### **What to expect:**

- Safety and fun
- When inside: wearing masks and social distancing
- When outside: social distancing

#### **What will we do?**

- daily snack
- stream activity
- outside when possible

#### **Pick up:**

1. Come to 8th Street/ Jr High doors #6
2. Ring doorbell by Jr High door #6
3. Child will be sent out to you at the door
4. If children are on the playground, please come down the stairs with a mask on to pick up your child.
- 5. Please, notify the school if someone different will be picking up your child.**
